

The Snowflake Trust

Operating the Snowflake Night Shelter

CONSENT FOR PHOTOGRAPHS

At times the Snowflake Trust may wish to take photographs of the shelter in action for reports and to show interested parties what it is like. This form must be signed before you are photographed to ensure that we have your consent.

Please note that this is completely up to you. Deciding not to sign this form or be photographed will not have any effect on your place with the Night Shelter.

I,, agree to be photographed by members of the Snowflake Trust Night Shelter. I am aware that these will be shown to people outside of the project and may be published at a later date.
